EXPRESS BADGE SERVICE

ARTWORK

Client must supply finished artwork.

ARTWORK SIZE

The artwork must not exceed the stipulated area.

BACKGROUND COLOUR

If a background colour is included in the design it must bleed to the cutting line.

CUTTING LINES

This must be included in your design.

Badge size	Artwork size	Cutting line/s
25mm	22mm	31mm / 33mm / 35mm
37mm	33.5mm	45mm / 47mm / 49mm
56mm	51.5mm	67mm
75mm	68mm	87mm

PRINTED PAGE LAYOUTS

When supplying printed material for make up please ensure that there is a 2mm space all around between the designs.

LOGO & ARTWORK FILE FORMATS

Finished Artwork, to size, must be supplied.

For laser printing please supply artwork in any of the following formats:

Adobe Illustrator, PDF, 400 dpi (HIGH RESOLUTION) jpeg,
Corel Draw Version X4 or lower, Freehand version 9 or lower.
Please convert all text to curves.

PRINTING

Our orders are printed in-house on a Minolta BIZHUB C450 full colour lazer printer with fiery.

In-house laser printing allows for a quicker turnaround and production time.

Please note that there may be a colour variance when using a lazer printer.
